Spiritual Varanasi

Date: 2018 January 25 - 28 (3N/4D)

Streets and Ghats of Varanasi, Buddhist site - Sarnath

Our Itinerary –

On the outset, I'd like to inform you that this itinerary is more fluid than most other photosafaris. We will plan as the day goes by. So, we may do the evening boat ride either on the first day or 2nd.. Sarnath will be incorporated either on day 2 or 3.

Jan 25: Arrival Varanasi

Take the morning flight into Varanasi. Check into our luxury hotel (Taj Gateway, Ramada or similar). Have our Orientation to prepare us for the next few days of exciting street photography. Afternoon we head to the ghats for our first experience of this magical land & probably one of the oldest still functional places on our planet. We may also do the evening boat ride along the ganges & witness the evening Aarti. (L&D)

Jan 26 : Varanasi

We take the early morning boat ride during the golden light & post the boat ride we can walk the ghats & the numerous small lines that interconnect like a maze. We can immerse ourselves & get transported back in time. Go back to the hotel for lunch & a bit of rest & return to the ghats again for the evening light. (B,L,D)

Jan 27 : Sarnath

After b'fast we can drive to Sarnath which is about an hr away. Explore this beautiful buddhist site & what remains of it. Head back in the afternoon & rest of the day for leisure or we can do another round of the ghats. (B,L,D)

Jan 28 : Varanasi onwards

We have the option of going one more time to catch the golden light on the ghats or just have a leisurely morning. We head back with some very special memories & images from this magical place. (B)
