The Great Migration - Wildlife Photosafari

Some of the common, everyday sights on the Great Plains...

AFRICA'S WILDLIFE

Lake Eyasi & Ndutu - Tanzania

Date: 2019 Feb 28 – Mar 6 (6N/7D)

Highlights: The hunting tribe-Hadza at Lake Eyasi + Wildebeest birthing cycle + Africa's Big 5

Our Itinerary –

Feb 28 : Kilimanjaro Airport – Lake Eyasi

Pick up from Kilimanjaro airport & drive straight to Lake Eyasi driving through the stunning landscape of Tanzania. Check into Kisima Ngeda Camp for the night enjoying the stunning views of the Lake. (L,D)

Mar 1 : Lake Eyasi - Ndutu

A very early start helps us go hunting with the Hadzabe tribe. After a crash course on survival in the wild we return for a late b'fast & then make our way to Ndutu. We will be doing a game drive along the way. Reach Ndutu Lodge by evening, our home for the next 5 nights. Dinner & Overnite.

Mar 2,3,4 & 5 : Ndutu

We spend the next 4 nights in Ndutu doing morning & evening drives or we can stay out the entire day. We can decide as we go along. The Wildebeest come to this special place every year to give birth as the earth here is full of nutrients which are conducive for the babies growth. Approx a million of these ungainly beasts are born here every year. Since Ndutu is out of the National Park boundary the vehicles are free to go much closer to the animals & therefore help us maximize great photography opportunities.

Mar 6 : Ndutu - Kilimanjaro

After b'fast we start making our way towards Kilimanjaro airport. Have lunch along the way & get dropped off at the airport for our onward journey.

The above costs include:

Photography based itinerary & photography guidance through the trip.

Accommodation, Meals on Safari as advised in the Itinerary.

Meet and greet services by our Driver Guide on Safari.

Kilimanjaro Airport transfers as per the Itinerary.
